Benalup Casas-Viejas, the 29<sup>th</sup> of January 2008

Dear Thorsten,

We are delighted to have been reviewed and awarded by Seven Stars and Stripes. They are a world-wide highly respected company, and our affiliation brought us outstanding marketing and pr results next to the fact that we were able to prove an increase of reservations.

Their team was most professional and thorough, delivered a complete analysis of our resort with valuable comments, based on their highest criteria, experienced and inspected our amenities first hand. Our La Table de Philippe restaurant and cuisine review resulted in an additional award, based on how well we scored. We are proud to have been honored with these prestigious world-class awards and we look forward to a long-term relationship with Seven Stars and Stripes.

Sincerely,

Martin Schneck  
General Manager
