Dear Mr Buehrmann,

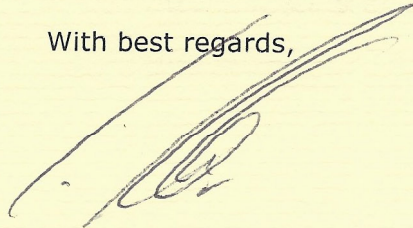

I would like to take this opportunity to thank you for your review and subsequent award for The Capital Hotel and restaurant.

On behalf of myself and all the staff at The Capital Hotel, thank you for the award of 5 Stars and 6 Stripes and for the 6 Stars and 6 Stripes awarded to our Executive Chef Eric Chavot. We are continually trying to improve our standards of quality and hospitality and it is always a pleasure to be recognised.

Given the turbulent times at the moment, the award is beneficial in creating additional awareness of The Capital and its high standards of service quality and The Capital Restaurant's growth under Eric Chavot.

We look forward to a successful year and development of our current relationship.

With best regards,

Henrik Muehle
