

GRAND HOTEL
PARCO DEI PRINCIPI
ROMA

Rome, August 21st 2007

To whom it may concern

We, at the "Grand Hotel Parco dei Principi Rome", have been more than pleased with the awareness created by the Seven Stars and Stripes Award.

Several reservations and inquiries have been emanated from leisure clientele after they read the recent review of the Grand Hotel Parco dei Principi and Pauline Borghese, the Hotel's signature Restaurant.

The Hotels, Restaurants and other Luxury Services reviewed by the Seven Stars and Stripes Staff are considered the Best in the World and it is very important for us to maintain a long relationship with this glamorous Association.

Very best regards,

Carla Milos
